would be in the best interests of the United States; for example, if the debtor is a contractor for the DOL agency holding funds, whether administrative offset would impair the contractor's ability to perform under the terms of the contract. The creditor organization should be notified promptly of the determination.

§ 20.29 Notice of offset.

Prior to effecting an administrative offset, the agency holding funds of a debtor should advise the debtor of the impending offset. This notice should state that the debtor has been provided his/her rights under the Federal Claims Collection Standards, that a determination has been made that collection by administrative offset would be in the best interests of the United States, the amount of the offset, and the source of funds from which the offset will be made.

§ 20.30 Multiple debts.

When collecting multiple debts by administrative offset, agencies should apply the recovered amounts to those debts, in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 20.31 Administrative offset against amounts payable from Civil Service Retirement and Disability fund.

(a) Unless otherwise prohibited by law, agencies may request that moneys which are due and payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset in reasonable amounts in order to collect debts owed to the United States by the debtor. Such requests shall be made to the appropriate officials of the Office of Personnel Management in accordance with such regulations as may be prescribed by the Director of that Office.

(b) When making a request for administrative offset under paragraph (a) of this section, an agency shall include a written certification that:

(1) The debtor owes the United States a debt, including the amount of the debt;

29 CFR Subtitle A (7-1-12 Edition)

(2) The requesting agency has complied with all applicable statutes, regulations, and procedures of the Office of Personnel Management; and

(3) The requesting agency has complied with the requirements of the applicable provisions of the Federal Claims Collection Standards, including any required hearing or review.

(c) Once an agency decides to request administrative offset under paragraph (a) of this section, it should make the request as soon as practical after completion of the applicable due process procedures in order that the Office of Personnel Management may identify and "flag" the debtor's account in anticipation of the time when the debtor becomes eligible and requests to receive payments from the Fund. This will satisfy any requirement that offset be initiated prior to expiration of the applicable statute of limitations. At such time as the debtor makes a claim for payments from the Fund, if at least a year has elapsed since the offset request was originally made, the debtor should be permitted to offer a satisfactory repayment plan in lieu of offset upon establishing that changed financial circumstances would render the offset unjust.

(d) In accordance with procedures established by the Office of Personnel Management, agencies may request an offset from the Civil Service Retirement and Disability Fund prior to completion of due process procedures.

(e) If the requesting agency collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, the agency shall act promptly to modify or terminate its request for offset under paragraph (a).

§ 20.32 Liquidation of collateral.

An agency holding security or collateral which may be liquidated and the proceeds applied on debts due it through the exercise of a power of sale in the security instrument or a non-judicial foreclosure should do so by such procedures if the debtor fails to pay the debt within a reasonable time after demand, unless the cost of disposing of the collateral will be disproportionate to its value or special
